The Egyptian Orthopaedic Association in
Collaboration with
Cairo University Orthopaedic Department**

2-3, March, 2017

Steigenberger Nile Palace Luxor

PROGRAM

Dear Colleagues:

On behalf of the Egyptian orthopaedic association, its my great pleasure to welcome you all to Luxor and to the 6th EOA Spring Congress 2017 in Steigenberger Nile Palace Hotel. our congress is held in this remarkable setting in collaboration with the Orthopaedic Department of the Cairo university.

The congress this year has been designed to provide an innovative and comprehensive overview of the latest research developments on "Pediatric Orthopedics and Sports Medicine", many distinguished Professors are taking part in all symposia that will include superb scientific material that was carefully selected to highlight the featured topics of our congress agenda this year.

We would like to express our thanks to the pharmaceutical and manufacturing industry for their generous support, to the EOA organizing committee and to the Orthopedic department of the Cairo University for their outstanding contributions in all aspects of this profound event, also a well deserved thanks to all service suppliers and to all my colleagues for their dedicated work and support on planning this event.

We hope that you will enjoy this assembly and I hope it will stimulate creative exchange of ideas and will be personally rewarding.
