**PROGRAM**  
**2006**

*Dear colleagues,*

We aimed to achieve a high scientifically and socially program. We as organizers of the event. **58<sup>th</sup> Annual International Congress of the Egyptian Orthopaedic Association** will did our best to continue in the success and renovation of the EOA congresses which are worldwide recognized as rich, productive and real international gathering of the most distinguished surgeons in the world of orthopaedic surgery.

The congress venue is JW Marriott, Cairo's latest five star hotel located within easy reach of all that Cairo offers, particularly the famous Giza Pyramids and Cairo Museum. Located on the Ring Road in the prestigious Heliopolis district, only 12 minutes from the International Airport & 30 minutes from downtown Cairo.

There is a lot of effort exerted to upgrade the scientific and social standard of the congress.

We saved no effort to make the congress successful and fruitful a lot of thing appear for the first time.

At last and not least, we welcome you all in our congress and we hope you would find what we promised.
