## **Dear Colleagues and Guests:**

*I would like to welcome you all to the 62<sup>nd</sup> Annual International congress of the Egyptian Orthopaedic Association. It is my honor to be the president of this unique event which gathers the most distinguished Orthopaedic surgeons from all over the world. The scientific program of this congress expresses the impact of the participants and covers most of the aspects in the armamentarium of the orthopaedic world. The organization of this event is the outcome of the collaborative hard work and dedication of many people whom I seize the chance to thank and pay my gratitude. Finally, I would like to welcome our international and Arab guests to Egypt, the land of civilization. I invite you all to enjoy your stay with us throughout the days of the congress. We wish you a safe return looking forward to seeing you next congress.*

**EOA & Congress President**  
***Prof. Samir Kotb***

**Dear Colleagues,**

*It is my pleasure to welcome you to the 62<sup>nd</sup> Annual International Congress of the Egyptian Orthopaedic Association. EOA is a non-profit public corporation, whose goals are to promote public awareness of musculoskeletal system disorders and to enhance education and research in orthopaedic field.*

*Musculoskeletal disorders are one of the most common healthy problems. More than 3000 participants will meet here in Cairo, one of the oldest cities in the world, to discuss different problems and to provide orthopaedic surgeons with update current techniques and controversies in orthopaedic.*

*There will be a kind of experience exchange as well as workshops and meeting with experts. All these will be held in this congress that lasts for 4 days. Also there will be a time for social activity that gives an opportunity for communicate and interaction.*

*For more information, please check this book and our web site [www.eoa.org.eg](http://www.eoa.org.eg)*

Please do not hesitate to contact us as we value your remarks. Hope you will enjoy this event and looking forward to seeing you in the upcoming events.

General Secretaries

*Prof. Anis Shiha*

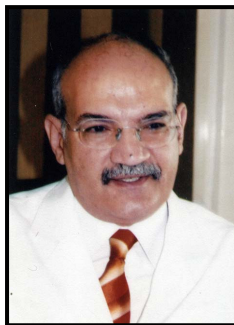

*Prof. Bahaa Kornah*

## **Dear Colleagues,**

*On the behalf of the EOA board and members, I would like to welcome all our guests. As an EOA treasures, I manage to achieve the balance between offering the maximum scientific standard for the participants and the social one for the companions.*

*We aimed to achieve a high scientifically and socially program in the 62nd Annual International Congress of the Egyptian Orthopaedic Association. We will did our best to continue in the success and renovation of the EOA congress which are world wide recognized as rich, productive and real international gathering of the most distinguished surgeons in the world of the orthopaedic surgery. The congress venue is Cairo Grand Hyatt, overlooking the River Nile with its beauty and magical view.*

*There is a lot of effort exerted to upgrade the scientific and social standard of the congress. We save no effort to make the congress successful. Finally, I welcome you all in our congress and we hope you would find what we promised.*
