**PROGRAM**  
**2012**

**Dear Colleagues,**

*It is my pleasure to meet you in our congress after the remarkable success in the previous congresses. This conference carries the memory of being the 64<sup>th</sup> anniversary of our grand association it is my honor to be the president of the EOA and the annual conference in this great event. Our aim was always to improve our association standard day after day to keep our association as one of the best of its kind nationally and internationally. Our association also has a remarkable position in scientific experiments; it offers scientific services of high level represented in the common course with some of the international associations.*

*We spared no effort to make the congress this year a scientific celebration for the participants and their companions on both the scientific and the social levels.*

*Although the current situation in our country we will hold, our congress in the same date and place. I would like to welcome our overseas and Arab guests for their participations; I wish them a fruitful stay.*

*EOA & Congress President*  
***Prof. Gamal A. Hosny***

## **Dear Guests & colleagues:**

*It's my pleasure to welcome you all in the 64<sup>th</sup> annual international congress of the Egyptian orthopaedic association. This association was established in 1948 by the efforts of our great professors. It is my honor to be the general secretary of the congress. I tried to do my best to make the scientific and the social programmers both fruitful and enjoyable.*

*The congress this year contains 74 scientific sessions, including 268 lectures and papers, 10 symposia, 5 round table discussion, and 11 workshops. We have this year 45 distinguished guest speakers who came from countries all over the world, this will enrich our congress and give all the participants the chance to revise the most recent updates in different aspects of orthopaedic surgery.*

*I wish you all a successful meeting that helps us in expanding the knowledge and practice of orthopaedic surgery.*

*Let's have a great stay here in Cairo. I know that Egypt is going through a critical phase and now facing great challenges, but nations like Egypt with all its history, culture and glory will certainly come out of it stronger and prosperous*

*Finally I wish you all an enjoyable stay & safe return home.*

*Congress General Secretary*

***Prof. Ashraf El Tabie***

## **Dear Colleagues,**

*This is a great time in history for our nation where the young generation moved for democracy and freedom.*

*Egypt is going to be great again.*

*We aimed to achieve a highly scientific and social program in the 64<sup>th</sup> Annual International Congress of the Egyptian Orthopaedic Association. We did our best to continue the success and renovation of the EOA congresses. Now the EOA congress is widely recognized as an international gathering of a group of distinguished surgeons. The congress will be held in Intercontinental- City Stars Hotel, Cairo.*

*A lot of effort is exerted to improve the scientific and social Program. We did our best to make the congress a great success. Many things will appear for the first time. We welcome you all in our congress and we hope you all a good stay.*
