## ***Dear Friends,***

The 2nd Trauma Conference of the Egyptian Orthopedic Association (EOA) is a highly anticipated three-day event from 17 to 19 September 2025 at the Triumph Plaza Hotel.

It marks a significant step forward in advancing trauma care and orthopedic practice in Egypt and the region.

This three-day scientific event is designed to provide a comprehensive platform for knowledge exchange, skill development, and professional networking. A rich and diverse scientific program designed to foster learning, collaboration, and innovation. The program includes a series of high-level lectures, interactive workshops, and original paper presentations.

We look forward to welcoming you all to this scientific event.

**Sincerely**
